JAMESTOWN FLEECE JACKET
WOMEN'S 5973
MEN'S 9973
PG. 86

BORN FROM NEW ENGLAND

It all started with a rain jacket in 1983 - not just any rain jacket, but one we believed in from its purpose to its performance. A rain jacket so inspired by our New England roots it later became known as "The New Englander." You see, for people like us who call New England home, the weather isn't something we just get through, it's a way of life - it's something we embrace, own, and grow to love. We love the way it strengthens our spirits, teaches us to roll with the punches, and encourages us to appreciate the beauty in nature's variety and uncertainty. If anything, the weather teaches us all a valuable lesson: you never know what the day has in store. Whether it's our daily commute, a walk on campus, or a weekend getaway, every minute of every day is its own adventure. While there's excitement in these spontaneous everyday adventures, it's being prepared for the unplanned that allows us to make the most of every moment. For over 30 years, we at Charles River Apparel have expanded beyond that first rain jacket, fine-tuning our collection of stylish designs and high-quality materials to equip and prepare you for your own everyday adventures.

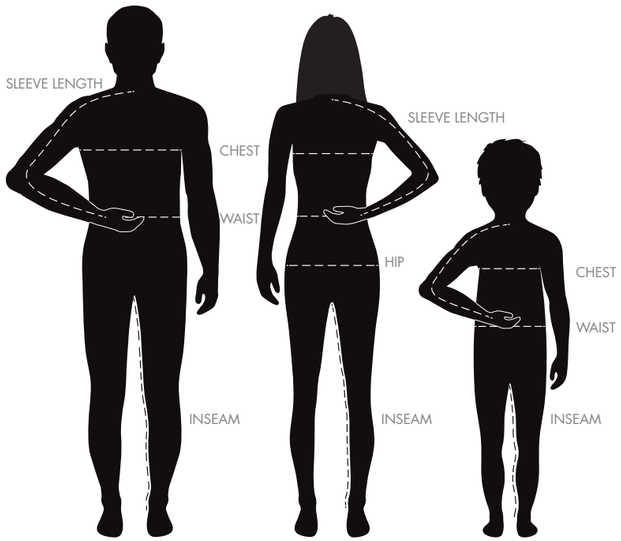
CHARLES RIVER APPAREL FIT GUIDE



MEASUREMENT GUIDE

CHEST/BUST: Tape measure should be placed under arms. Measure at the fullest circumference around your chest.

WAIST: Measure your natural waistline around the narrowest circumference of your waist.

HIPS: Measure at the fullest circumference around your hips.

SLEEVE LENGTH: With elbow bent slightly, measure from center back of your neck, over the shoulder, over to the slightly bent elbow and down to the outer wrist.

INSEAM: Stand and measure the line where the two parts of a pair of pants are sewn together (top of the inside of the leg) to the bottom of your ankle bone.

These sizes and body measurements are intended as a guide to assist with sizing — these are not exact garment measurements. Locate your measurements below & the chart will tell you the approximate Charles River Apparel size you should fit into. For style specific measurements, visit our website at www.charlesriverapparel.com & click on the individual style to view the garments specs.

CHARLES RIVER APPAREL®

It all started with a rain jacket in 1983 - not just any rain jacket, but one we believed in from its purpose to its performance. A rain jacket so inspired by our New England roots it later became known as "The New Englander."

35 YEARS
