#### MINIMUM ADVERTISED PRICE (MAP) POLICY

As an industry leading manufacturer and supplier of superior quality apparel, Charles River Apparel strives to provide outstanding customer service and an excellent customer experience through a superb network of decorators, promotional product distributors, team dealers, college bookstores, and resort and retail stores. Charles River Apparel's outstanding dealers, distributors, and retailers (collectively "Resellers") make substantial commitments of time and investments of resources to deliver exemplary service through well-trained and knowledgeable staff, detailed and informative product displays, and other sales collateral. To support its Resellers' efforts and to assure the high level of customer service Charles River Apparel strives to deliver, Charles River Apparel has unilaterally adopted a MINIMUM ADVERTISED PRICE POLICY ("MAP Policy"). Charles River Apparel has adopted this MAP Policy because Reseller advertising practices that promote Charles River Apparel products solely based on price, and not product quality, service, and other factors, could be detrimental to Resellers' service and support efforts, and also to Charles River Apparel's position as a leading apparel brand. Such actions may be harmful to Charles River Apparel's brand, reputation, and competitiveness, and could allow some Resellers to unfairly take advantage of the marketing, service, or support investment of others. Charles River Apparel believes that these practices are unfair and harmful to Charles River Apparel and its brand, and therefore strongly discourages this conduct. Charles River Apparel, in its unilateral discretion, will not do business with any Reseller, as to the products covered by this MAP Policy, if that Reseller intentionally advertises any MAP Product below its MAP price.

#### POLICY GUIDELINES

1. Charles River Apparel reserves the right, in its unilateral discretion, to take action, including terminations of its relationship, with respect to any Reseller that violates this MAP Policy. Violations of this policy shall be determined by Charles River Apparel in its sole and absolute discretion. Charles River Apparel will not accept any communication from a Reseller subject to this policy regarding violations or future compliance with the MAP Policy.
2. First infraction for failure to follow the MAP Policy will result in a warning and a fourteen (14) day opportunity to correct advertised pricing. Thereafter, if a Reseller fails to correct the advertising or to comply with the MAP Policy, a second infraction occurs, Charles River Apparel may, unilaterally and without notice or further warning, terminate its relationship with and discontinue to sell products to the Reseller violating the MAP Policy.
3. The MAP Policy will be enforced by Charles River Apparel in its sole and absolute discretion.
4. Charles River Apparel recognizes that any authorized Charles River Apparel Reseller can make its own decisions to advertise and sell any Charles River Apparel product at any price it chooses without consulting or advising Charles River Apparel. Charles River Apparel similarly has the right to make its own independent decision regarding dealers, distributors, and retailers it chooses to continue to sell to.
5. Charles River Apparel will maintain a "MAP Products" list of those products that fall within this MAP Policy. Charles River Apparel reserves the right to revise or modify this list at any time without notice.
6. All products in Charles River Apparel's current line and or active catalog will have a MAP retail price. Listing a price lower than the MAP retail price next to current line and/or active catalog product in any advertising will be viewed as a violation of this MAP Policy. This MAP Policy applies to all advertisement of MAP products in any and all media, including, without limitation, coupons, flyers, posters, inserts, mailers, magazines, newspapers, catalogs, mail order catalogs, internet, or similar electronic media including websites, blogs, forums, email newsletters, email solicitations, Twitter, Facebook, Etsy, Pinterest, or similar social media sites, television, radio, and public signage.
7. Resellers may not make any statements, displays, or communications on its website that indicate, state, imply, or suggest that a lower price may be found at the online check out, including but not limited to: "click here for lower price," "see lower price in cart," "add to cart for lower price," "check cart for lower price," or similar language. Such website features as "Click for price," automated "bounce-back" pricing emails, pre-formatted email responses, forms, automatic price display for any items prior to being placed in a customer's shopping cart, and other similar features are considered to be communications initiated by the Reseller (rather than by the customer) and constitute "advertising" under this MAP Policy. This MAP Policy also applies to any activity which Charles River Apparel determines, in its sole and absolute discretion, is designed or intended to circumvent the intent of this MAP Policy, such as solicitations for "group purchases" and the like.

8. It shall not be a violation of this MAP Policy to advertise that the Reseller has "the lowest prices" or will match or beat its competitors' prices, or to use similar phrases; so long as the Reseller does not include any advertised price below MAP and otherwise complies with this MAP Policy.

9. In its discretion, Charles River Apparel may permit Resellers to advertise MAP products at prices lower than the MAP retail price. In such events, Charles River Apparel reserves the right to modify or suspend the MAP retail price with respect to the affected products for a specified period of time.

10. In its discretion, Charles River Apparel may offer a direct manufacturer's rebate to customers. In such events, it shall not be a violation of this MAP Policy to advertise the availability of the manufacturer's rebate, provided that:

- (a) the advertisement includes a MAP-compliant price, the rebate amount, and the net price after manufacturer's rebate in the same type size and style;
- (b) an asterisk is placed next to the net price after manufacturer's rebate;
- (c) and the "\*\*After manufacturer's rebate" appears in the same area of the advertisement as the advertised product.

11. Where Charles River Apparel products are advertised or promoted as part of a package or a bundle that includes other products, it shall be a violation of this MAP Policy to advertise the package or bundle at a price if:

- (a) each Charles River Apparel product included is not above its individual Minimum Advertised Price,
- (b) is lower than the total Minimum Advertised Price of each Charles River Apparel product combined, or
- (c) violates the letter or spirit of the MAP Policy.

12. It shall be a violation of this MAP Policy to include in any advertising for Charles River Apparel products any additional discount, coupon, gift card, or incentive (whether in the form of a special event, promotion, term of doing business, or otherwise) that creates a price reduction, where the cumulative effect is to reduce the advertised price of any MAP product below MAP. Section 11 shall not apply to any manufacturer's rebate from Charles River Apparel on Charles River Apparel products.

13. It shall not be a violation of this MAP Policy to advertise that a customer may "call for price" or "email for price," or to use similar language, specifically with respect to Charles River Apparel products, so long as no price is listed.

14. If a Reseller with multiple store locations violates this MAP Policy at any particular store location, then Charles River Apparel may consider this to be a violation by all of the Reseller's locations.

15. Charles River Apparel reserves the right to cancel all orders and indefinitely refuse to accept any new orders from any Resellers following Charles River Apparel's verification that such Reseller has advertised any MAP Products at a retail price less than the then-current MAP retail price established by Charles River Apparel, or if Reseller has violated this policy in any other way.

16. The MAP Policy applies only to advertised prices and does not apply to the price at which products are actually sold or offered for sale to an individual consumer. Resellers remain free to establish their own resale prices. The MAP Policy also does not apply once an item is placed in a customer's "virtual shopping cart" on an internet website. Pricing that is associated with the end customer's intent to purchase is deemed the "selling price" and falls outside the MAP Policy. Resellers remain free to sell products at any price they choose.

17. Charles River Apparel's sales representatives are not permitted to discuss this policy or make any agreements or assurances with respect to Charles River Apparel's policy regarding reseller advertising or pricing. This also includes any consumer program or promotion that affects the below-listed MAP Products.

18. The decision to implement and enforce this MAP Policy is solely the unilateral act of Charles River Apparel. Charles River Apparel is not seeking agreement from any Reseller to adhere to the MAP Policy.

19. The terms of this MAP Policy are confidential and may not be disclosed to any other parties.
