# **CHARLES RIVER CARES**

Since 1983, our people-first approach has set us apart. As a family-owned company, we always ensure our customers, employees, and partners are met with the personalized attention they deserve. Our passion for serving others doesn't stop there — it also extends into our broader community. In 2010, we established Charles River Cares to use our national platform for the greater good through volunteerism, donations, and giveback programs.

# 2024 GIVEBACK PROGRAMS

We love giving back, and we encourage our customers to be a part of our mission. Please visit www.charlesriverapparel.com/charles-river-cares for updated participating products and partners.

# **VOLUNTEERISM**

Our crew's passion for volunteering is ingrained in our culture. Together, we participate in environmental cleanups, sort holiday gifts for children in need, host clothing drives, and more. We also provide each employee with a free day to volunteer with an organization of their choosing. A perfect example? For over 15 years and counting, Barry, our CEO, has biked the country's largest bike-a-thon in support of cancer research, which raises more money for charity than any other single athletic fundraising event in the country. This dedication inspires our crew to champion such causes with equal fervor and commitment.

# **DONATIONS**

Since 2018, we have donated over 80,000 products to charitable organizations nationwide.

We serve our greater community through monetary and apparel donations for causes ranging from helping the homeless to preparing kids for the school year and more. It's our ability to jump in and help that allows us to expand our reach to people in need — and to causes that matter to our customers. We can't thank you enough for supporting our business so that we in turn can support others.

# **OUR CHARITABLE PARTNERS**

#### **MEALS ON WHEELS AMERICA**

Meals on Wheels America is the leadership organization supporting the more than 5,000 community-based programs across the country that are dedicated to addressing senior isolation and hunger. This network serves virtually every community in America and, along with more than two million staff and volunteers, delivers the nutritious meals, friendly visits and safety checks that enable America's seniors to live nourished lives with independence and dignity.

#### **BREAST CANCER RESEARCH FOUNDATION**

Breast cancer is a complex disease with no simple solution, and research is the key to stopping it in its tracks. Founded in 1993 by Evelyn H. Lauder, the Breast Cancer Research Foundation is the largest private funder of breast cancer research in the world. BCRF invests in the best minds in science—from those investigating prevention to metastasis—and fosters cross-disciplinary collaboration.

#### **CRADLES TO CRAYONS**

Cradles to Crayons is a Boston-based nonprofit that provides essential items to children living in homeless or low-income situations so that they can thrive both at home and at school. The organization helps kids from birth through age 12 in Massachusetts, as well as in areas around Chicago and Philadelphia.

#### CHRISTMAS IN THE CITY

Christmas in the City is a non-profit organization run by volunteers that strives to lessen the impact of homelessness on families and children living in shelters. Each year, thousands of volunteers are on hand to put together an annual Christmas Party Extravaganza for thousands of children and families living in homeless shelters.

#### CATIE'S CLOSET

Since 2010, Catie's Closet has reduced absenteeism, urged kids back into their schools and off the streets and increased graduation rates. Schools equipped with a Catie's Closet give students living in poverty the ability to discreetly pick and choose the clothing and basic necessities they need and are proud to wear. By meeting students' needs, Catie's Closet boosts self-esteem and motivates students to attend school and focus on their education.

#### WELLNESS WARRIORS

Wellness Warriors is Massachusetts' first dragon boat team for cancer survivors. They provide a paddling support group for men and women of all ages diagnosed with many different types of cancer. Their mission is to provide new opportunities for cancer survivors to heal - both physically and emotionally - by being active participants in their own recovery and part of a mutually empowering dragon boat team.

#### CIRCLE OF HOPE

Circle of Hope provides clothing, toiletries, and necessities to 22 homeless shelters and clinics in Boston and MetroWest. They are the sole provider of clothing and toiletries for many of these organizations. Their partners include family shelters, individual shelters, domestic violence shelters, healthcare clinics, and programs that serve the homeless. Last year, COH served more than 22,000 people experiencing homelessness, providing the essential items they need to stay healthy and warm.

#### FIRST DESCENTS

First Descents is a recognized leader in outdoor experiential programming. Through outdoor adventures, skills development, and local adventure communities, First Descents improves the long-term survivorship of young adults impacted by cancer and other serious health conditions. Their participants experience free outdoor adventure programs that empower them to climb, paddle, and surf beyond their diagnosis, reclaim their lives, and connect with others doing the same. Their programs are open to any young adult diagnosed with cancer or MS between the age of 15-39, and currently between the age of 18-45.
